

DM= Data Model. PT = Prototype Tool. Ws = Workshop. AP = Advisory Panel. PrM = Project Team Meeting

Package	Deliverable	Description	By Month
WP1	D1.1	Report on review of process & data	6
	D1.2	Process Model for Stratigraphic Data recording & Analysis	6
WP2	D2.1	Identified case study data sets of Stratigraphic & Chronometric data	7
	D2.2	Integrated analysis of data in case studies	11
WP3	D3.1	Temporal modelling of stratigraphic data	15
	D3.2	Proposed standardised model for Stratigraphic and Chronometric modelling	25
WP4	D4.1	Prototype 1 Matrix Interchange and Phasing Index Analysis Tool & widgets	15
	WP7	LF & RA1 to build simple Web pages to help with dissemination of project products	12
	D4.2	Prototype 2 Matrix Interchange and Phasing Index Analysis Tool & widgets	28
WP5	D5.1	Workshop to test temporal modelling and standards recommendations	19
	D5.2	Draft version1 of standard model for Stratigraphic Phasing Index	15
WP6	D6.1	Consultation on models and recommendations	10-11
	D6.2	Draft version 2 of standard model for Stratigraphic Phasing Index	27
WP7	D7.1	Publications in scholarly and professional publications	18 & 29
	D7.2	Workshops	19, 27
	D7.3	Workshop 1 evaluation report	20
	D7.4	Workshop 2 evaluation report	28
WP8	D8.1	Annual progress reports	11, 23
	D8.2	Advisory Panel Meetings	11, 23
	D8.3	Final project report	29
